[Verse 1]

And I'd give up forever to touch you
Cause I know that you feel me some how
You're the closest to heaven that I'll ever be
And I don't want to go home right now
And all I can taste is this moment
And all I can breathe is your life
Well, sooner or later it's over
I just don't want to miss you tonight

[Chorus]

And I don't want the world to see me
Cause I don't think that they'd understand
When everything's made to be broken
I just want you to know who I am

Green Day – When I come around

F# C#5 D#m B
 I heard you cry aloud
 All the way across town
 You've been searching for that someone
 And it's me out on the prowl
 As you sit around feeling sorry for yourself
 Don't get lonely now
 Dry your whining eyes
 I'm just roaming for the moment
 Sleazin' my back yard so don't get
 So uptight you been thinking about ditching me

[Chorus]

G# B
 No time to search the world around
G# B
 Cause you know where I'll be found
 When I come around

I heard it all before
 So don't knock down my down
 I'm a loser and a user
 I don't need no accuser
 To slag me down because I know I'm right
 So go do what you like
 Make sure you do it wise
 You may find out that your self doubt means
 nothing was ever there
 You can't go forcing something if it's just not right

C **C5** (thunder + drum fill)

Fmaj7 **Dm9** **C** **C** (bass enters)

Fmaj7 **Dm9**
 When I look into your eyes,
 I can see a love restrained.

Fmaj7 **Dm9**
 But darlin' when I hold you
 Don't you know I feel the same___ yeah___

Dm9 **G** **C**
 Nothin' lasts forever, and we both know hearts can change
Dm9 **G** **C**
 And it's hard to hold a candle in the cold November rain

Fmaj7 **Dm**
 We've been through this such a long long time
 Just tryin' to kill the pain___ oh yeah___

Dm9
 But lovers always come and lovers always go
Dm **C** **Csus4** **C** **Csus2**
 And no one's really sure who's lettin' go today___ walking away

Fmaj7 **Dm**
 If we could take the time to lay it on the line I could rest my head
 Just knowin' that you were mine all mine

Dm **G** **C**
 So if you want to love me, then darlin' don't refrain
Dm **G** **C**
 Or I'll just end up walkin', in the cold November rain

F **G**
 Do you need some time___ on your own___
F **G**
 Do you need some time___ all alone___
F **G**
 ooh, everybody needs sometime_ on their own___
F **G** / / / / / / / /
 ooh, don't you know you need some time_ all alone

Malibu – Hole

[VERSE]

Crash and burn
all the stars explode tonight
how'd you get so desperate
how'd you stay alive
help me please
burn the sorrow from your eyes
oh come on be alive again
don't lay down and die

[CHORUS]

Hey, hey
you know what to do
oh baby drive away, to Malibu

[VERSE]

Get well soon
Please don't go any higher
how are you so burnt
when you're barely on fire
cry to the angels
I'm gonna rescue you
I'm gonna free you tonight, baby
pour over me

[CHORUS]

Hey, hey
we're all watching you
oh baby fly away, to Malibu
cry to the angels
and let them swallow you
go and part the sea, yeah, in Malibu

[BRIDGE]

and the sun goes down
I watch you slip away
and the sun goes down
I walk into the waves
and I knew
Love would tear you apart
Oh and I knew
the darkest secret of your heart

[CHORUS]

I'm gonna follow you
oh baby fly away, yeah, to Malibu
oceans of angels
oceans of stars
down by the sea is where you are
drown your scars
I cant be near you
the light just radiates
i cant be near you
the light just radiates
